Welcome,

The campus safety goal at Pioneer Technology Center is to ensure a safe and secure learning environment for members of the campus community. The safety of our students, staff and visitors is at the forefront of everything we do.

PTC is committed to the prevention of crime, protection of life and property, and the preservation of peace and safety to all who work, attend or visit our campus.

We ask that students, staff and visitors on campus assume their individual and collective responsibilities to make Pioneer Technology Center a place that is free of crime, fear and disorder, and to provide a civil and open environment that fosters learning and mutual respect.

The information herein complies with standard regulations of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the Higher Education Opportunity Act and the Drug Free Schools and Communities Act found in 34 CFR 668.46(a)].

Sincerely,

Michael Orr

Facility Coordinator/Campus Security Survey Administrator
Annual Security Report

The Annual Security Report is published in accordance with the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and its implementing regulations. The purpose of this report is to provide faculty, staff, students and campus visitors (collectively, "the campus community") with an overview of Pioneer Technology Center’s security resources, policies and procedures.

The Higher Education Act (HEA), as amended by the Higher Education Opportunity Act (HEOA), specified additional campus safety requirements in the following areas: hate crime reporting, emergency response and evacuation procedures and missing student notification policies.

The Campus Security Survey Administrator will provide the Annual Security Report within 30 days of the published federal report to staff. This report is available at www.pioneertech.edu

Campus Security Authority

A CSA is a person referred to as a Campus Security Authority by the Clery Act. CSA's are a vital part of data collection for the annual safety and security report.

The Clery Act requires PTC to provide an annual safety and security report. CSA is responsible for reporting the number of crimes and incidents as described in the Clery Act that occur on campus. These numbers are then included in the federally mandated Clery Report, which is distributed every year in the beginning of October.

The Campus Safety and Security Report are prepared by the Facility Operations office. Any questions regarding this report should be directed to Michael Orr, Facilities Coordinator/CSSA at (580)762-8336 extension 371.

Campus Information

Pioneer Technology Center (PTC) is a technical training institution and part of the Oklahoma Career Technology Systems. We provide education, business training, and community partnerships. Our campus is located on 40 acres in the Industrial Park of Ponca City. The campus enrolls approximately 400 full-time equivalent students in its day and evening programs. The campus also has 100 non-student employees working on campus. There is no student housing.

The main campus is located at 2101 North Ash in Ponca City and offers career programs, an expansive conference center and multiple meeting rooms, an on-site Business Industry Service center with a 8,000 square foot business incubator, an on-site café as well as an Educational Enhancement Center for student testing. The campus is in an open community without fences or physical barriers.

Security on campus is considered everyone’s responsibility and all persons are encouraged to report suspicious behavior or incidents to the Campus Security Authorities as soon as it is noticed. The U.S. Department of Education provides statistics for all colleges, universities and technical schools in the United States. http://ope.ed.gov/security/

**Responsibilities of Students and Employees**

A safe campus environment cannot be achieved solely by the school. The safest environment is achieved with the involvement and cooperation of all members of the campus community. Every member of the campus community must assume responsibility for their own personal safety and the security of their belongings by taking simple, common sense precautions.

Students with cars should keep all valuables locked in the trunk and doors locked when the vehicle is left unattended. Students should not congregate in the parking area by sitting in their cars during breaks, or before or after class.

All members of the campus community should immediately report any unusual circumstance or suspicious looking individuals to campus administrators.

**Reporting Crimes and Emergencies**

Victims, witnesses, or other members of the campus community have a duty to report incidents to campus administrators immediately. Criminal actions or other emergencies should be immediately reported in any of the following ways:

1. Contact any school administrator; or
2. PTC receptionist; or
3. Instructor or supervisor

All reports are investigated by PTC administrators. PTC does not have a policy governing confidential crime reporting to counselors since on-campus counseling services are not available. Off-campus counselors are strongly encouraged to disclose to law enforcement any crime reported to them by students.

**Relationship with Local Law Enforcement Agencies**

Major offenses such as rape, murder, aggravated assault, robbery, and auto theft are reported to the local police and joint investigative efforts with campus administrators and the city police are deployed to solve these serious felony crimes. The prosecution of all criminal offenses, both felony and misdemeanors are conducted at the Kay County Municipal Courthouse.

**Emergency Response Plan**

Pioneer Technology Center utilizes current NIMS/ICS standardized protocols for the formation of incident management teams in large scale incidents. All evacuation procedures and appropriate maps are posted throughout the campus pursuant to fire code and on the campus website. Other situational emergency evacuation plans are addressed in the Emergency Response Plan.

**Threat Assessment Team (TAT)**

The Threat Assessment Team is a group of school officials and other emergency personnel that responds to report of student or employees displaying signs of behavioral or emotional distress that may indicate a possible threat to the school. This could be violence to self, others, or to the campus. This team addresses behaviors of concern and provides resources to help keep PTC campus a safe working and learning environment.
Members of the TAT include:

- Director of Facility
- Director of Instruction
- Executive Director of Instruction
- Counselor
- Facility Coordinator

The Threat Assessment Team meets quarterly or as needed to assess incidents. TAT is responsible to educate the campus through educational programs and interactive events. For further information contact Michael Orr at (580)762-8336 extension 371.

**Timely Warnings, Emergency Notifications and Evacuations**

It is the responsibility of the campus community who learns of an impending or actual campus emergency, crime or dangerous situation to report it immediately. Community members can report the information confidentially to a campus administrator, an instructor, supervisor, or directly to the Superintendent. The school will assess the situation and take appropriate action.

Depending on the specific nature of the emergency or continuing threat, one or more of the primary methods listed below may be used to disseminate an emergency notification or “timely warning” to the campus community. This will be done when in the judgment of a school official determines a significant emergency or dangerous situation is occurring on or near the campus and could be an immediate threat to the health or safety of students, staff and visitors.

- Mass emergency messaging (SchoolReach)
- E-mail
- Campus telephone voice mail messages
- Posting on the PTC website
- Public address system (PA)
- Local television and radio
- Handheld radios
## Nature of Crime

The content and method of notification used to provide the timely warning or emergency notification will vary based upon the nature of the crime or the potential threat to safety. This could include:

- Active shooter
- Campus threat in the surrounding area
- Hostage situation

Once it has been determined to issue an emergency notification or timely warning, the administration office will initiate the SchoolReach system, which is a mass text message notification without delay. This will be done by the Executive Director of Instruction & Support Services or approved designee.

Timely warnings and/or emergency notifications will be issued if in the professional judgment of responsible authorities, such a warning or notification will not compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency or dangerous situation.

Once an emergency notification has been issued, PTC will provide updates when appropriate as determined by the responsible campus officials.

In addition and as a supplement to the mass notification system, one or more of the following secondary methods may also be employed:

- PA announcement
- Bull horn announcement
- Loudspeaker in patrolling police vehicles and
- Electronic information boards

An “all clear” will be made once the threat has been cleared by school officials and law enforcement. The incident will conclude with an overview of the crisis resolution. Additional useful information relating to the incident may be subsequently transmitted.

The emergency messaging system is tested annually.

### CAMPUS SAFETY MEASURES

- Alcohol Awareness Program
- Timely Warning and Emergency Notifications
- Crime Prevention Program
- Student Identification System
- Drug Awareness
- Counseling Services
- Harassment & Bullying policy
- Domestic Violence policy
- Sexual or Harassment Policy
- Threat Assessment Team
- Student and Employee Discipline Policy

*Students and staff are responsible to maintain updated personal contact information for the Mass Emergency Notification System.*
Missing Student/Employee Statement

Campus administration will be notified immediately if a student or employee is presumed to be missing. Reports will be expeditiously investigated.

**Student Discipline**

When a student conduct issue arises, PTC staff will refer the situation to the appropriate school official and if necessary to the local law enforcement system. School and district law enforcement will coordinate efforts.

Student discipline proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and district policy without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution. Disciplinary and student suspension policies are documented in the Student Handbook.

Proceedings under these procedural standards may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the Superintendent. Prior determinations made or sanctions imposed under these procedural standards will not be subject to change because criminal charges arising out of the same facts giving rise to violation of district rules are later dismissed, reduced, or resolved in favor of or against the criminal law defendant.

**Assault on Employee**

It should be noted that in accordance with O.S. 21; 20§ 650.7 (Assault on Employee by Parent or Student) an aggravated assault and battery on a school employee while in the performance of their job is punishable as a felony.

**Harassment & Bullying**

**Harassment**

Harassment of students by other students, personnel, or the public will not be tolerated. This policy is in effect while students are on school grounds, in school transportation, or attending school-sponsored activities, and while away from school grounds if the misconduct directly affects the good order, efficient management, and welfare of the school district.

Harassment is intimidation by threat or actual physical violence; the creation by whatever means of hostility or intimidation; the use of language, conduct, or symbols in such a manner as to be commonly understood to convey hatred, contempt, or prejudice or to have the effect of insulting or stigmatizing an individual. Harassment includes, but not limited to harassment on the basis of race, sex, creed, color, national origin, religion, marital status, or disability.

This information is printed in the Student Handbook and available to all students. Students who feel they are being harassed or bullied, or persons who have direct knowledge this type of activity is happening should immediately contact PTC staff.

**Bullying**

School Bullying Prevention Act ([OS §70-24-100.3](https://www.legis.ok.gov/laws/default.aspx?a=24-100.3))

“harassment, intimidation and bullying means any gesture, written or verbal expression, or physical act that a reasonable person should know will harm another student, damage another student’s property, place another student in reasonable fear of harm to the student’s person or damage to the student’s
property, or insult or demean any student or group of students in such a way as to disrupt or interfere with the school’s education mission or the education of any student”. Such behavior is specifically prohibited. This policy is available to all students and instructors.

**Domestic Violence**

Domestic violence can be defined as a pattern of behavior in any relationship that is used to gain or maintain power and control over an intimate partner.

Abuse is physical, sexual, emotional, economic or psychological actions or threats of actions that influence another person. This includes any behaviors that frighten, intimidate, terrorize, manipulate, hurt, humiliate, blame, injure or wound someone.

Domestic violence can happen to anyone of any race, age, sexual orientation, religion or gender. It can happen to couples who are married, living together or who are dating. Domestic violence affects people of all socioeconomic backgrounds and education levels. Victims of sexual abuse can talk with a counselor for local assistance.

**Campus Facilities**

During business hours, the school will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours access to all school facilities is by key/access card, if issued, or by admittance by the custodial/maintenance staff. Emergencies may necessitate changes or alterations to any posted schedules.

Areas that are revealed as problematic have security surveys conducted and reviewed. Members of the Threat Assessment Team examine security issues such as landscaping, locks, alarms, lighting, and communications and recommend changes.

PTC is not designed with residential facilities and is therefore not required to report fire statistics.

**Student Identification Card**

The Student Service office is responsible for the generation of the student identification card. The purpose of the identification system is to provide a standard and requirement for the display of identification, to provide a consistent method of identification and to provide additional means of establishing a safe community for staff, faculty and students.

Students and staff must wear an identification card in required areas. There is a replacement fee for lost cards.

**Alcohol and Drug Awareness**

Pioneer Technology Center is an educational institution committed to maintaining an environment that enables campus members to enjoy the benefits of an optimal learning experience.

Alcohol and drug literature including referral agencies is available by contacting a school counselor. This literature is also available in student information centers in the break areas. An annual alcohol and drug awareness event provides students the opportunity to visit one-on-one with local law enforcement during a campus Health Fair. The events mission:

- The promotion of a healthy, safe and learning conducive environment.
- The implementation of practices for prevention, education and training.
Instilling in students an awareness of choice, personal responsibility and understanding of the social and academic consequences associated with the decision to use alcohol and/or other drugs.

The District is committed to providing a campus environment that promotes the safety and wellbeing of students, faculty and staff. PTC prohibits the possession, use, and/or distribution of illegal drugs on campus property, or as part of any of its activities. For a detailed summary of the district's regulations, visit the student or employee handbook or visit the website.

**Firearms**

The new Oklahoma Self-Defense Act, 21 O.S. 1277 (D) allows adults in possession of a valid concealed handgun license to store such a handgun in a locked trunk on a Career tech campus effective November 1, 2011. Questions relating to this Act can be sent to the Director of Facilities at (580)762-8336 extension 371.

In all other instances, firearms and other weapons and destructive devices are prohibited in, on, or at school property, school-sponsored activities or school-related activities.

**Crime Prevention**

Crimes occur in all sectors of society, and such problems exist on school campuses as well. To assist you in your efforts to avoid becoming a crime victim, Pioneer Technology Center provides this safety and security information for your use.

Crime prevention materials and reporting procedures are included in the employee handbook and the student handbook.

**Camera Surveillance**

The campus provides many cameras that monitor activity and areas around the campus. These cameras are operated by the administrative staff and their designee.

**Crime Prevention Tips**

- Be aware of your surroundings.
- Have a flee plan if approached by an unsavory person.
- Walk in groups at night.
- Use lighted walkways and thoroughfares, even if it means going out of your way.
- Walk briskly, with your head up, and with assurance. Do not walk in brush-covered areas or against buildings.
- Do not wear dangling jewelry when traveling into the city. Keep purses, backpacks, and money belts close to the body, and do not leave them unattended.
- Do not struggle if someone attempts to take your property.
- Do not leave unattended personal property such as money, wallets or purses, cell phones, IPads, laptop computers or other electronic devices in classrooms or in vehicles.
Automobiles

- Keep your automobile locked at all times. Keep doors locked when traveling alone.
- Don't park your automobile in secluded or dimly lit areas.
- Do not keep valuables or electronics in plain sight in your automobile.
- When walking to your automobile at night, have your keys readily in hand.
- Always check the back seat before getting into your automobile.
- Never offer rides to strangers or hitch hikers.
- Check your automobile daily.

Personal property

- Protect the safety of your personal property and valuables. Don't allow your property or valuables to be unattended at any time.
- Make a list of your valuables including make, model and serial number.
- Permanently mark your personal property and valuables with electric engravers.
- Help protect your property and the property of others by reporting suspicious activity to campus staff.

Sexual Assault and Harassment

In Oklahoma, sexual assault includes any form of unwanted or involuntary touching or penetration of intimate body parts by a person of the same or opposite sex. This can include being forced to touch someone else. “Unwanted or involuntary” means sexual contact without the consent of the victim, including the use of threats, intimidation, coercion, or physical force. It also includes victims who are unable to give consent because of their age or because they are physically helpless, mentally incapacitated or intoxicated. A sexual offender is often someone known to the victim such as a friend, acquaintance, date, spouse, or family member.

Society recognizes the impact of sexual violence on its victims and to address this issue the Campus Sexual Assault Victim’s Bill of Rights was established. The Bill affords sexual assault victims certain basic rights. This Bill of Rights mandates that policies, procedures, and services are designed to ensure that the needs of victims are met and that higher education in Oklahoma creates and maintains communities that support human dignity. To learn more about the Campus Sexual Assault Victims' Bill of Rights visit [http://www.securityoncampus.org](http://www.securityoncampus.org)

PTC is responsive to the needs of victims and survivors in accordance with the language and intent of the state’s Campus Sexual Assault Victim’s Bill of Rights. Sexual assault is against state and federal law and is in violation of the student conduct code. Behavior of this kind will not be tolerated and could ultimately result in expulsion from this institution.

Reporting

Two-thirds of perpetrators are serial perpetrators, meaning that they will typically assault several victims before being caught. With this in mind the District recognizes that the very act of reporting a sexual assault has the potential to prevent future assaults. Reporting the crime can also help victims regain a sense of personal power and control. Victims can report acts of sexual violence to campus staff, Facilities Director, Facilities Coordinator, or to a counselor who is trained to be an empathetic listener and facilitate access to resources.

Victims have the right to choose whether or not they pursue police involvement. Victims who choose to participate in legal action for offenses that occur on campus can contact the Campus Compliance
Officer. If the crime occurred off campus, victims should contact the local police. PTC will work in partnership with local law enforcement authorities and the Kay County Prosecutor’s Office for investigations and legal proceedings. Victims interested in pursuing campus disciplinary action should contact the Campus Compliance Office at extension 297 or 243. Detailed information on sexual misconduct violations, grievance procedures, and procedural standards can be found in the student handbook or website.

**What to do after a rape or sexual assault:**

- Get to a safe place as soon as you can.
- Try to preserve all physical evidence. Do not wash, shower, use the toilet, or change clothing if you can avoid it. If you do change clothes, do not wash your clothing, including undergarments; put all clothing you were wearing at the time of the attack in a paper, not plastic bag.
- Get medical attention as soon as possible to make sure you are physically well and to collect important evidence in the event you may later choose to take legal action.
- Contact the police department at 911.
- Talk with a counselor who will maintain confidentiality, help explain your options, give you information and provide emotional support. You can reach a counselor by calling (580)718-4313.
- Contact someone you trust to be with you for support.
- When a sexual assault occurs, safety and medical attention are the most pressing issues. Victims are strongly encouraged to obtain prompt medical examinations and treatment for possible injuries, sexually transmitted diseases and pregnancy.

**Resources**

**Counseling Services**

Certified counselors are available to students needing crisis intervention, community referral and individual and group counseling to assist with personal growth. All information disclosed to counselors is confidential, with the exception of immediate threat of serious or foreseeable harm to self or identified other.

**Resources for Victims**

Victims of sexual offenses will be encouraged to contact off campus advocacy services and community resources.

**Disclosure of Crime Statistics**

At the end of each calendar year, the Facilities Coordinator will collect crime data from the Campus Compliance Officers and local police jurisdictions to assemble the crime statistics report. Campus incidents will be classified according to the definitions of the Uniform Crime Reporting Handbook published by the Federal Bureau of Investigation. A report to the campus community, including statistics for crimes required to be reported under the Clery Act, will be published no later than October 1st of the year following the reporting period. Notification of the availability of the report will be posted at [www.pioneertech.edu](http://www.pioneertech.edu), and the Student Handbook.

The Facilities Office will provide the Annual Security Report within 30 days of the published federal report to staff. This report will be available on the website.

The Campus Safety & Security Report includes statistics that have been reported to campus authorities such as criminal homicide; murder and non-negligent manslaughter; negligent manslaughter; sex offenses; forcible sex offenses; non-forcible sex offenses; robbery; aggravated assault; burglary; motor vehicle theft; arson; arrests and/or disciplinary referrals for liquor law violations, drug law violations and/or illegal weapon possessions and hate crimes. Hate crimes include the above-referenced crimes, as well as larceny-theft, simple assault, intimidation, destruction/damage/vandalism of property and any other crime involving bodily injury, that manifest evidence that the victim was intentionally selected because of the victim’s actual or perceived race, gender, religion, sexual orientation, ethnicity or disability.

Pioneer Technology Center discloses hate crime statistics based on the following Clery Act requirements.

**Hate Crimes:** Crimes that manifest evidence that the victim was intentionally selected because of the victim's race, gender, religion, sexual orientation, ethnicity/national origin or disability.

Statistics must be reported for hate (bias) related crimes by the type of bias as defined below for the following classifications: murder/non-negligent manslaughter, negligent manslaughter, sex offenses (forcible and non-forcible), robbery, aggravated assault, burglary, motor vehicle theft, arson, liquor law violations, drug violations and/or illegal weapons possession and larceny, vandalism, intimidation, and simple assault, and any crimes involving bodily injury to any person.

**Larceny:** The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another.

**Vandalism:** To willfully or maliciously destroy, injure, disfigure, or deface any public or private property, real or personal, without the consent of the owner or person having custody or control by cutting, tearing, breaking, marking, painting, drawing, covering with filth, or any other such means as may be specified by local law.

**Intimidation:** To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

**Simple Assault:** An unlawful physical attack by one person against another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

If a hate crime occurs where there is an incident involving intimidation, vandalism, larceny, simple assault or other bodily injury, the law requires that the statistic be reported as a hate crime even though there is no requirement to report the crime classification in any other area of the compliance document.

- **Year.** Disclose statistics for the three most recent calendar years.
- **Geographic category.** Disclose statistics by geographic location.
- **Crime category.** Include all Clery Act offenses that are classified as hate crimes as well as incidents of larceny-theft, simple assault, intimidation and destruction/damage/vandalism of property that are classified as hate crimes.
- **Bias category.** Include the category of bias for each hate crime.

**As mandated by the Clery Act, also known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the Campus publishes these annual crime statistics. In addition to offenses reported to PTC administration, the crime statistics report also includes offense reports obtained from local police agencies.**

Homeland Security Compliance Certificate

STATE OF OKLAHOMA
OFFICE OF HOMELAND SECURITY

Attention Pioneer Tech Center:

Our records indicate that your Institution has completed the requirements for the 2010 NIMS Compliance Certification Program, (Goal 2010). The Oklahoma Office of Homeland Security would like to extend our congratulations to your institution for their efforts to maintain the highest in emergency preparedness by completing the Goal 2010 adoption and assessment. Your compliance activities for 2010 incorporates the best practices, from a wide range of incident management disciplines, by preparing First Responders and Emergency Managers in your school’s jurisdiction with the leadership and expertise for managing emergency incidents. The result of your compliance activities is a vastly improved capability to coordinate management among federal, state, local, and tribal organizations and will assuredly help to save lives and protect Oklahoma’s schools and communities. New Compliance Objectives should be released by April 2011 for you to begin the following year’s compliance activities. Thank you for your efforts in establishing and maintaining the “Oklahoma Standard” for emergency response and management.

Pat King, NIMS Compliance Officer
Pioneer Technology Center
